Thrilled to share my first Linkedin post!

I recently completed a Health Risk Checker project on GitHub. It's a simple tool that helps estimate health risks based on user inputs.
Feel free to check it out and let me know your thoughts!

About

I am a first-year Computer Science student specializing in Data Science. I am currently building my skills in programming, digital literacy, and problem-solving. I am interested in learning new technologies and gaining practical experience through projects and internships.

Club, VIT Bhopal
